

**Brian J. Smith, AICP - Deputy Director, Planning and Modal Programs, CalTrans**

Brian Smith is the Deputy Director, Planning and Modal Programs, for the California Department of Transportation (Caltrans). He oversees the activities of six Divisions with over 350 staff and an annual budget of about \$1.3 billion: Aeronautics, Local Assistance, Mass Transportation, Rail, Transportation Planning, and Transportation System Information. In addition, the Department's System and Organizational Performance Measures Project Manager reports to Brian.

At Caltrans since 1983, Brian previously served as Chief of both the Divisions of Transportation Planning and Environmental Analysis, as a Deputy District Director for Planning and Public Transportation, and as a District Environmental Branch Chief. Prior to Caltrans, Brian worked for the California Energy Commission, State Solid Waste Management Board, and the Department of Fish and Game.

Brian has BS and MA degrees in Zoology from the University of California, Davis. He serves on several committees and research panels for the National Academy of Sciences/Transportation Research Board. He is a member of the American Institute of Certified Planners, and served on the City of Davis' Planning Commission for nine years, with two terms as chair.
